

Introduction to Bionutrient Rich Crop Production

and the **REAL FOOD**
Campaign

- How can we build vitality in our soils, crops and bodies?
- How can we better understand the complex relationship between soil, crop nutrition and human health?
- Learn how the Real Food Campaign is approaching these questions and working toward systemic solutions.

presented by

Dan Kittredge

Life-long organic farmer,
Director of the Real Food Campaign

Monday, August 22, 2011
